

Bravuris 3^{HM}

Miles and more economical - driving without limits.

Feature

- ▶ A wide, flat contour with a large number of pitches and sipes

Effect

- ▶ Even pressure distribution and reduced block deformation on the ground contact area

Customer benefit

- ▶ Higher mileage thanks to reduced and even wear

Delivery Program

- ▶ Speed symbol **T/H/V/Y**
- ▶ Tyre width in mm **175 – 295**
- ▶ Rim size in inches **14 – 21**
- ▶ Tyre cross-section **Serie 35 – 55**

Bravuris 2

The economical high performer.

Feature

- ▶ Optimized tyre contour and modern silica tread compound

Effect

- ▶ Optimized ground pressure distribution for reduction of the abrasion

Customer benefit

- ▶ High mileage performance

Delivery Program

- ▶ Speed symbol **H/V/W/Y**
- ▶ Tyre width in mm **195 – 265**
- ▶ Rim size in inches **15 – 20**
- ▶ Tyre cross-section **Serie 35 – 65**

Brillantis 2

Good all round! And value for money.

Feature

- ▶ Asymmetrical tread pattern with solid outer shoulder

Effect

- ▶ Increased lateral stiffness in the outer shoulder lugs

Customer benefit

- ▶ Greater safety during critical steering manoeuvres

Delivery Program

- ▶ Speed symbol **T/H/V**
- ▶ Tyre width in mm **135 – 265**
- ▶ Rim size in inches **13 – 18**
- ▶ Tyre cross-section **Serie 60 – 80**

Polaris 3

Black on white – the price is right.

Feature

- ▶ 'Snow catcher' along the longitudinal grooves

Effect

- ▶ 'Snow catcher' stops the snow from slipping through the groove

Customer benefit

- ▶ Optimised setting-off and braking in snow

Delivery Program

- ▶ Speed symbol **T/H/V**
- ▶ Tyre width in mm **135 – 265**
- ▶ Rim size in inches **13 – 19**
- ▶ Tyre cross-section **Serie 40 – 80**

Barum car tyres

Barum. A brand of Continental.

Good tyres. Good deal.

Bravuris 4x4

You can count on having lots of fun at the wheel!

Feature

- ▶ Extra-flat tyre contour, stiff tyre design

Effect

- ▶ Reduced slip, even ground pressure distribution

Customer benefit

- ▶ High mileage performance

Delivery Program

- ▶ Speed symbol **T/H/V**
- ▶ Tyre width in mm **205 – 255**
- ▶ Rim size in inches **15 – 18**
- ▶ Tyre cross-section **Serie 55 – 80**

Barum 4x4 tyres

Vanis 2

Vanis 2 gets you further.

Feature

- ▶ Three wide circumferential drainage grooves

Effect

- ▶ Water drains quickly when driving on wet surfaces

Customer benefit

- ▶ Reduced risk of aquaplaning

Delivery Program

- ▶ Speed symbol **Q/R/T**
- ▶ Tyre width in mm **165 – 235**
- ▶ Rim size in inches **14 – 16**
- ▶ Tyre cross-section **Serie 65 – 80**

SnoVanis 2

Drive and save without compromise.

Feature

- ▶ High sipe density combined with snow pockets in the outer grooves

Effect

- ▶ Increased number of gripping edges and improved snow-to-snow interlock

Customer benefit

- ▶ Short stopping distances and optimal traction on snow covered road surfaces

Delivery Program

- ▶ Speed symbol **Q/R/T**
- ▶ Tyre width in mm **165 – 235**
- ▶ Rim size in inches **14 – 16**
- ▶ Tyre cross-section **Serie 60 – 80**
